Grand Lido Resorts

Where Dreams Become Memories

Thinking about a luxurious, stress-free, sunny holiday, but aren't sure where to go? Look no further than Super Clubs' Grand Lido Resorts & Spas in beautiful Jamaica.

SuperClubs' Grand Lido Resorts & Spas are AAA Four Diamond Resorts offering vacations of unparalleled elegance and luxury for adults and children aged 16 and up. Tucked into a protected cove of Negril's white-sugar sand beach, the all-suite, **Grand Lido Negril** is the flagship of SuperClubs fleet of Super-Inclusive resorts. **Grand Lido Braco**, in Trelawny, is SuperClubs' first Super-Inclusive "village" that recreates a Victorian seaside village on Jamaica's north coast, with fretwork and gingerbread-trimmed colonial-style buildings on cobblestone streets that personifies the charm of old Jamaica.

What does "Super-Inclusive" mean, exactly? It's simple: a worry-free, hassle-free, truly all-inclusive Jamaican holiday with the best of everything and no hidden costs. Included in the price of your Grand Lido Resort holiday are ultra-luxurious accommodations; exceptional cuisine and premium brand cocktails; land and water sports, including instruction and equipment; recreational activities; a manicure and pedicure; entertainment; hotel taxes; airport transfers and friendly, efficient, round-the-clock service – with absolutely no tipping allowed.

Say "I do" to a Grand Lido Wedding: Anytime is a good time for a Super-Inclusive Grand Lido vacation. But what could be more special than a dream destination wedding and honeymoon? At Grand Lido Resorts & Spas weddings are free and the memories are priceless. In addition to arrang-

ing all details and performing the ceremony, SuperClubs provides, free of charge, the marriage licence, minister, witnesses, complimentary guest passes, tropical flower bouquet and boutonniere, live music, champagne, wedding cake, a candlelit dinner for the bride and groom, and a honeymoon breakfast in bed with mimosas. All you and your intended have to do is choose the setting – a gazebo overlooking the Caribbean; a lush fragrant garden; a powder-white sand beach or one of many other exquisite backdrops.

SuperClubs also provides a wedding gift: newlyweds receive one complimentary night's stay at the resort – when you return to celebrate your first wedding anniversary.

New this year are Grand Lido Resorts' "Wedding Bliss Collection": four new themed add-ons, at an additional cost, that allow couples to have the wedding of their dreams: *Sun and Sea*, *Coastal Irie*, *Where Dreams Become Memories* and *Essence of Romance: The Ultimate Grand Lido Wedding*. Each theme offers unique additions to the wedding, and all include private round-trip airport transfers, a musical serenade, one-hour of professional photography services and reservations for the bride, groom and four of their guests at the resorts' fine dining restaurant.

Also new: the *Oceans of Love* wedding package, designed by renowned wedding planner Sasha Souza. This top-of-the-line option starts at US \$50,000 and includes a honeymoon suite with private Jacuzzi and all-suite accommodations for 20 guests (10 double-occupancy suites) for five nights/six days; rehearsal dinner; wedding ceremony and reception; floral arrangements and festive décor; live music; welcome pool party;

SuperClubs spas offer certified therapists and a range of à la carte spa services.

services of wedding planner, personal concierge, private chef for the reception appetizers and dinner; and non-denominational minister; VIP spa packages for the wedding couple; monogrammed his-and-hers bathrobes; and all legal requirements.

Spa Spectacular: It's not just the weddings that are new and improved at SuperClubs. The Grand Lido Resorts are the first of the fleet to unveil the newly upgraded spas.

Complimentary treatments include manicure and pedicure plus use of the steam and sauna rooms. Certified therapists offer a range of à la carte spa services, including body massage incorporating Swedish and Shiatsu techniques, back and neck massage, reflexology, body scrub and body polish. The ultimate in bliss is a beach-side massage from one of the resort's skilled therapists.
